KUKUZA / BUILD YOUR MERCH

Decision matrix / public range. Select a base colour, design and item, then the relevant material and size. The HTML version displays the matching mockup. It is a local preview, not a deployed shop.

Step	Choose	Rule
1 / Base	Red, warm cream or black	The colour of the product material.
2 / Design	Plain; Prototype Camo; Direction Shift; Apex Stripe; Crosshatch / Checks	Plain has no pattern. Checks use square grids or plaid.
3 / Item	One of the 15 product groups below	The item determines available material and size options.
4 / Material	Product-specific proposed options	Changes the specification only.
5 / Size	Product-specific proposed options	Changes the SKU suffix only.

Product-specific options	Proposed materials	Proposed sizes

SELECTION AND SKU

Example: red / Plain / T-shirt / cotton single jersey / M. Visual look ID: KZ-PUB-TEE-RED-PLN. Proposed variant SKU: KZ-PUB-TEE-RED-PLN-M01-M.

The public range contains 225 visual looks. Supplier charts must replace provisional size labels before ordering.

MATERIAL TERMINOLOGY

Performance jersey is the proposed sports fabric option. It does not claim to be the fabric used by a specific Kenya rugby kit. Rugby suppliers offer different polyester and stretch constructions. Cotton, rib knit, pique and satin describe different fabric constructions and are not interchangeable.
